

Celebrating the Earth & Stars

at Dr. T.K. Lawless Park

Saturday, May 19, 2012

2:00 pm - 9:00 pm

(with star gazing continuing throughout the night)

Schedule includes:

NASA speaker presentation, Raptor Education Center's Live Birds of Prey on Exhibit, John Dudley Magic Show, Walking tours with a Naturalist, Plant Magic - Natural Indoor Plant Care presentation, Telescope Primer, Lost Road Ramblers Bluegrass Band, Gravel Creek Bluegrass Band, Midwest Energy's EnergyWise trailer, local vendors and educational displays, GR ArtPrize exhibitor and for the first time a Recycled Art Contest!

Be a part of the event – enter your Recycled Art, set-up an educational booth for a non-profit organization, sell your natural arts & crafts or exhibit your eco-conscious local business.

Follow us on FaceBook and <http://earthdaypark.webs.com>

Volunteers Needed – call 269-506-8334 or email bluegreener@gmail.com to help out!

Early responders for booth exhibits include: Bridges to Digital Excellence, Plant Magic, American Arbor Tree Service, Cass County Water Resources, South West Michigan Land Conservancy, Bair Lake Bible Camp, Green Party, and a recycled material craft maker.

Brought to you by the Earth Day Planning Committee, Michiana Astronomical Society, and Cass County Parks & Recreation
